FBK Mission Statement

"We are committed to becoming fully devoted followers of Jesus Christ and inviting others to do the same."

*O God of such truth as sweeps away all lies,
of such grace as shrivels all excuses,
come now to find us
for we have lost our selves
in a shuffle of disguises
and in the rattle of empty words.*

*We have been careless
of our days,
our loves,
our gifts,
chances ...*

*Our prayer is to change, O God,
not out of despair of self
but for love of you,
and for the selves we long to become
before we simply waste*

*away.
Let your mercy move in and through us now...
Amen*

An Unexplainable Life: Recovering the wonder and devotion of the early church

This is more than a bible study; it is a transformational experience with God that will open your mind to a fresh understanding of Scripture and the power of the Holy Spirit. Erica Wiggernhorn captures the deep longing we have when we love the church and yet long for something more, something deeper, something authentic and real. It's a restoration of the joy and awe of life in Christ. Join Judy Fysh in the lounge for this incredible study. Study dates are: Cost of the book is \$20.

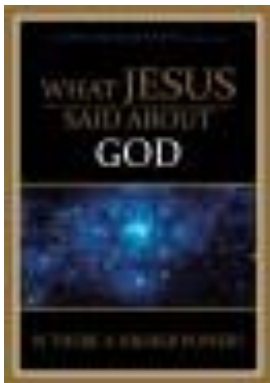

Adult Sunday School

Did Jesus of Nazareth really rise from the dead? Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity.

Join Wayne Wharram beginning Sunday, March 31st at 9:45am for a 4-week study that answers questions around the most defining event in history...and your faith.

From the Library

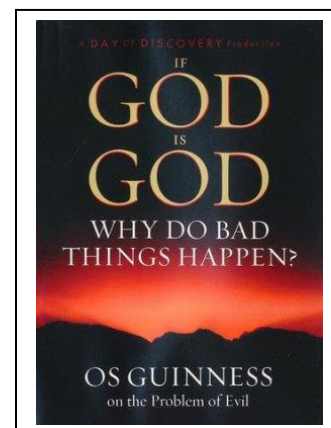

This video series will help you weigh the words of Jesus and discover for yourself whether you have reason to believe what He said was true.

Titles available in this series from Day of Discovery include:

- "What Jesus said about God"
- "What Jesus said about suffering"
- "What Jesus said about life after death"

When it comes to questions of suffering and evil, no one has all the answers. However, author and speaker Os Guinness presents a compelling case that leads to faith and courage. With an engaging style, he introduces three perspectives on evil, examines the difference between suffering and evil, and shares steps to help you think through the problem of evil. Discover how you can cope with life and find reason to trust in God when bad things happen. 45 Minutes.
